

Judges Refresher Report
March 27, 2011

Ela Area Public Library
Lake Zurich, Illinois

An ADS Judges Refresher was held at this Midwest Daffodil Society meeting as a part of the program. Only two judges applied for credit, but 10 were in attendance for the presentations. Two instructors also requested credit for the refresher. They were Nancy Pilipuf and Katherine Robinson, who presented material about historic daffodils. They used the new slide show from the ADS, augmented by their own observations and experience. In addition, a short presentation using materials on the Wister and Pannill Awards which had been developed for the refresher at the 2009 ADS Convention were presented. This was given by George Dörner.
